## Rider Information

### Rd. 7 - Zschopau

- signs used and their meaning:

straight on

turn

wrong way

- number of laps (with individual times depending on the class):
  - 3 laps for classes E1 - E3, 4 (DEM)
  - 2 laps for all other classes
- Special Tests
  - (1) Enduro test Venusberg (after approx. 10 min. on stage 1)
  - (2) Enduro test Waldkirchen (after approx. 5 min. on stage 2)
  - (3) Cross test ski slope (end of stage 2)
- Pre-stamping** is allowed at the last TC (TC 2 am Paddock A / MZZ). The finish is located at the marquee (behind MZZ, time limit 5 min.)
- There will be a parc fermé in the finish only for classes E1 - E3, 4 (DEM). The finish (incl. techn. inspection) will be at the marquee (not at TC 2)

- An optional gas point for refueling will be set up at the „Klemmsches Motodrom (Under the Bridge)“ on stage 1. It is purely a refueling point without service. Refueling is only carried out by the rider using an environmental mat. Canisters (labeled) will be transported by the organizer and must be handed in to the DEM-Truck on Friday from 5 p.m. to 8 p.m.
- A chest and back protection (protectors with EN 1621) has to be presented at technical inspection.
