Important rider info!!!

Dear participants,

the preparations for our 44th Uelsen ADAC cross-country ride 2021 are in full swing. The route and special stages are ready. Many hard-working hands are trying to put on a great event for you.

The paddock will again be on the company grounds of van der Most in Itterbeck on Kirchweg. Admission here is only for riders and a chaperone, (children under 13 do not count).

All participants have to hand in the completed and signed Covid self-disclosure form (see attachment or "notice board") at the gate, as well as prove that they have been vaccinated and that the 14-day period has been observed, that they are recovering, or submit an up-to-date (official) negative test from a test centre. After meeting these requirements you will receive an event wristband and for service vehicles a pass. In addition, it is necessary that you log in via the QR code attached to the gate or at the paper collection.

QR codes are also available for the individual exams and ZK1. We would ask you to register on Friday when you leave the exams (registration/deregistration). This information must also be passed on to your supervisors. We are not allowed to exceed the number of 500 persons. However, as usually not everyone is in the paddock, we can prove this by registering at the individual locations. With your support, you make our work easier and we can allow attendants at the event.

Spectators are not allowed in the paddock!

We hope that we will not be slowed down in our preparations due to Corona and that all riders will be able to arrive without any problems. However, we believe that if we all observe the hygiene rules, we will be able to practise our sport even under these conditions, but we are dependent on your support.

Our paddock will be open at the following times thanks to the help of many volunteers:

Thursday, 12 August 2021 5pm to 9pm.

Friday, 13 August 2021 7:00 a.m. to 10:00 p.m.

Saturday, 14 August 2021 7:00 a.m. to 9:00 p.m.

Sunday, 15 August 2021 from 6:00 am.

Those arriving early or late on Thursday or Friday will have the option of parking in the car park in front of the site. If you are not vaccinated or have not recovered you will need a daily negative test, please take this into account when planning your trip.

Test centres are located e.g. in 48529 Nordhorn - Freibad, Am Sportpark 21 (without registration) as well as in Uelsen, Apotheke am Markt, Tel. +495942/808 and Itterbeck, Futterkrippe Tel. +495948/9339999 (registration required).

When setting up the vehicles, please observe the minimum distance to avoid group gatherings, taking into account the general ordinance in force in the county of Grafschaft Bentheim and the state of Lower Saxony (10 persons or 2 households).

Masks are compulsory on the premises at the document and technical scrutineering, in the sanitary area and in the supply tent (up to the table), or wherever the 1.5 m distance cannot be maintained, i.e. possibly also in the paddock.

To avoid long queues at the scrutineering - Friday only from 14:00 to 20:00 - please prepare accordingly. We have attached all the important forms for you and your carers as a pdf to print out. The printed entry forms will be available at the scrutineering. If you want to rent a transponder, please print out the transponder rental contract in advance.

The following races will be held on Saturday and Sunday, depending on the class

German Enduro Cup (DEC) E1b - E3b and 5

E1-E3 and 4, o. predicate	4 rounds
Seniors Cup, Super Seniors Cup, Ladies Cup	
ADAC Enduro Cup EC 1-7	3 rounds
Vintage , EC 8	2 rounds

Stage times and start times will be published online on Friday and Saturday on the "notice board" and will also be handed out at the paper scrutineering.

We hope for your understanding for these measures taken at an unusual time and look forward to welcoming you at the weekend.

MSC Niedergrafschaft e.V. ADAC
